E31	E31 / I31	QE31	AE31	BE31	FE31	XE31
				<p><b>Handle specification:</b>  Material: aluminium  Surface: brushed aluminium  The handle can be painted (comaxit) in 14 selected RAL shades in matt finish (see last page of the document).</p>		

HANDLE PROFILE	T.classic	T.lacq	T. acrylic	T.basic	T.effect <sup>+</sup>	FENIX NTM <sup>®</sup>
E32	E32 / I32	QE32	AE32	BE32	FE32	XE32
				<p><b>Handle specification:</b>  Material: aluminium  Surface: dark brushed stainless steel  The handle can be painted (comaxit) in 14 selected RAL shades in matt finish (see last page of the document).</p>		

HANDLE PROFILE	T.classic	T.lacq	T. acrylic	T.basic	T.effect <sup>+</sup>	FENIX NTM <sup>®</sup>
E33	E33 / I33	QE33	AE33	BE33	FE33	XE33
				<p><b>Handle specification:</b>  Material: aluminium  Surface: brushed aluminium  The handle can be painted (comaxit) in 14 selected RAL shades in matt finish (see last page of the document).</p>		

HANDLE PROFILE	T.classic	T.lacq	T.àcrylic	T.basic	T.effect <sup>+</sup>	FENIX NTM®
E34	E34 / I34	QE34	AE34	BE34	FE34	XE34

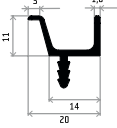

**Handle specification:**  
Material: aluminium  
Surface: dark brushed stainless steel  
The handle can be painted (comaxit) in 14 selected RAL shades in matt finish (see last page of the document).

HANDLE PROFILE	T.classic	T.lacq	T.àcrylic	T.basic	T.effect <sup>+</sup>	FENIX NTM®
E37	-	QE37	AE37	BE37	FE37	XE37

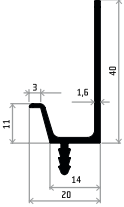

**Handle specification:**  
Material: aluminium  
Surface: nickel satin  
The handle can be painted (comaxit) in 14 selected RAL shades in matt finish (see last page of the document).

HANDLE PROFILE	T.classic	T.lacq	T.àcrylic	T.basic	T.effect <sup>+</sup>	FENIX NTM®
E38	-	QE38	AE38	BE38	FE38	XE38

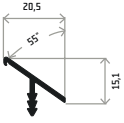

**Handle specification:**  
Material: aluminium  
Surface: nickel satin  
The handle can be painted (comaxit) in 14 selected RAL shades in matt finish (see last page of the document).

HANDLE PROFILE	T.classic	T.lacq	T.àcrylic	T.basic	T.effect <sup>+</sup>	FENIX NTM®
E39	-	QE39	AE39	BE39	FE39	XE39

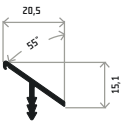

**Handle specification:**  
Material: aluminium  
Surface: anodised aluminium  
The handle can be painted (comaxit) in 14 selected RAL shades in matt finish (see last page of the document).

HANDLE PROFILE	T.classic	T.lacq	T.àcrylic	T.basic	T.effect <sup>+</sup>	FENIX NTM®
E40	-	QE40	AE40	BE40	FE40	XE40

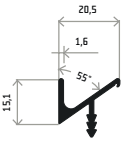

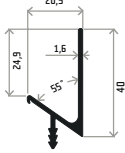

**Handle specification:**  
Material: aluminium  
Surface: nickel satin brushed  
The handle can be painted (comaxit) in 14 selected RAL shades in matt finish (see last page of the document).

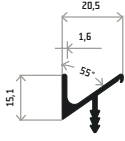

HANDLE PROFILE	T.classic	T.lacq	T.àcrylic	T.basic	T.effect <sup>+</sup>	FENIX NTM®
E41	-	QE41	AE41	BE41	FE41	XE41

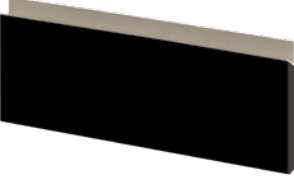

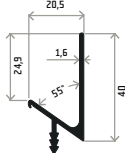

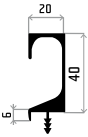

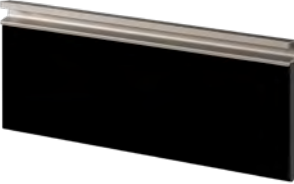

**Handle specification:**  
Material: aluminium  
Surface: anodised aluminium  
The handle can be painted (comaxit) in 14 selected RAL shades in matt finish (see last page of the document).

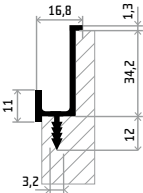

HANDLE PROFILE	T.classic	T.lacq	T.àcrylic	T.basic	T.effect <sup>+</sup>	FENIX NTM <sup>®</sup>
E42	-	QE42	AE42	BE42	FE42	XE42
			<b>Handle specification:</b> Material: aluminium Surface: anodised aluminium The handle can be painted (comaxit) in 14 selected RAL shades in matt finish (see last page of the document).			

HANDLE PROFILE	T.classic	T.lacq	T.àcrylic	T.basic	T.effect <sup>+</sup>	FENIX NTM <sup>®</sup>
E43	-	QE43	AE43	BE43	FE43	XE43
			<b>Handle specification:</b> Material: aluminium Surface: nickel satin The handle can be painted (comaxit) in 14 selected RAL shades in matt finish (see last page of the document).			

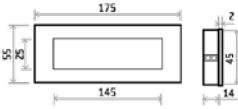

HANDLE PROFILE	T.classic	T.lacq	T.àcrylic	T.basic	T.effect <sup>+</sup>	FENIX NTM <sup>®</sup>
E44	-	QE44	AE44	BE44	FE44	XE44
			<b>Handle specification:</b> Material: aluminium Surface: nickel satin The handle can be painted (comaxit) in 14 selected RAL shades in matt finish (see last page of the document).			

HANDLE PROFILE	T.classic	T.lacq	T.àcrylic	T.basic	T.effect <sup>+</sup>	FENIX NTM <sup>®</sup>
E45	E45 / I45	QE45	-	-	-	-
			<b>Handle specification:</b> Material: aluminium Surface: brushed aluminium The handle can be painted (comaxit) in 14 selected RAL shades in matt finish (see last page of the document).			

HANDLE PROFILE	T.classic	T.lacq	T.àcrylic	T.basic	T.effect <sup>+</sup>	FENIX NTM <sup>®</sup>
E46	E46 / I46	QE46	-	-	-	-
			<b>Handle specification:</b> Material: aluminium Surface: brushed stainless steel dark The handle can be painted (comaxit) in 14 selected RAL shades in matt finish (see last page of the document).			

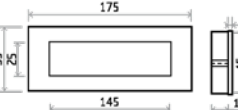

HANDLE PROFILE	T.classic	T.lacq	T.àcrylic	T.basic	T.effect <sup>+</sup>	FENIX NTM <sup>®</sup>
E47	-	-	AE47	BE47	FE47	XE47
			<b>Handle specification:</b> Material: aluminium   Surface: anodised aluminium The handle can be painted (comaxit) in 14 selected RAL shades in matt finish (see last page of the document). For design reasons, the handles are supplied including mounting on the door.
